

Global Action Club Advisor Agreement

As advisor of the (school name) _____ Global Action Club I agree to support the students of this club in their endeavors. I understand that the club has set goals they are working toward in education, advocacy and fundraising and that reaching those goals is the responsibility of the students. The Global Action Club is a student-run, student-led organization and as an adult ally I will do my best to

- Act as a liaison with school administration and other teachers;
- Advise students on how to improve meetings, event turnout etc;
- Advise students of upcoming events at school that could help them reach their goals;
- Offer suggestions rather than mandates;
- Call on New Global Citizens any time I need support or have questions; and
- Help settle disputes between club leaders.
